

SUMMER 2026 | DALLAS

ALL IN

No one sits on the sidelines

think
OUT
be LIGHT

FASHION SHOW

A cultural moment. A community. A decade in the making.

For 10 years, Think Out, Be Light has spotlighted people with disabilities through fashion, storytelling, and community. In summer 2026, as Dallas takes center field during the World Cup and Disability Pride Month, the show returns with a bigger invitation: visibility that feels joyful, current, and impossible to ignore.

More than a runway, Think Out, Be Light is a live expression of visibility, belonging, and joy.

Disability Is part of every community.

1 in 4 Americans have a disability. Culture still tells a much narrower story. Think Out, Be Light exists to widen the picture, bringing forward the talent, style, and presence too often left out of the frame.
